Winners of the Lambley Show- Design a Poster Competition

Earlier this term, we received a large number of fantastic entries for the 'Design a Poster' competition advertising The Lambley Show. These posters will be going up around the village over the coming weeks. Two winners and two runners up have been selected and the winners will receive a prize as part of next week's achievement assembly.

Please join us in congratulating our winners Hallie (Y3) and William (Y4), and our runners up Evelyn (Y4), Chloe (Y3) and Kaycie (Y5).

KS2 Summer Show: What A Knight

There are still some tickets remaining for each of the performances of 'What A Knight'. Tickets are on sale for £2 and are available from the school office. There are three shows;

- Tuesday 11th July - 2:00pm
- Wednesday 12th July - 10:00am
- Wednesday 12th July - 5:30pm

Our Y5 & Y6 pupils will be performing a tale about King Arthur and Merlin's struggle to conceal Excalibur from the evil Dark Knight, joined by the fabulous choir of Y3 & Y4 children. This show should not be missed!

Parents forum this Wednesday

All parents & carers are invited to attend Parents' Forum, this Wednesday evening at 6:30pm in the Village Hall. This is a chance to share your views and ideas for further improving our school and to discuss things that have been happening.

School Reports

This Thursday we will be sending home your child's school report and attendance record for the year. This reports contains information on what your child has learnt throughout the year and the progress they have made in Reading, Writing and Maths. It also shares with you their next step target for both English and Maths and their assessment record.

- If you have a Y6 pupil, it will also tell you your child's SATS scaled score for Reading, GPS (Grammar Punctuation & Spelling) and Maths. A score of 100 or above indicates that they have achieved the 'expected standard' for a child their age.
- In KS1, the Y2 pupils SATS performance has been used to inform the teacher assessment that Miss Hall has made. Please note that these teacher assessments have been externally moderated looking at evidence collected throughout the year, including the SATS papers.
- Y1 pupils completed the Y1 Phonics Screening check so information will also be coming home to tell you whether they achieved the expected standard in this area.

Please take the time to complete the reply slip and feedback form included with your child's end of year report.

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Vicky Dilnot, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.

Fundraising

As you have already been made aware, we are suffering the effects of a tightened school budget. As a result, we have listed things we would love to purchase but presently don't have the funds to get and are calling this our 'Wish List'. Things on this list are all things that teachers feel will improve our school and the learning experiences of our pupils. We wanted to make you aware of our wish list so you know what future fundraising activities will be focusing on.

- Science practical resources to deliver the KS1 & KS2 curriculum in a hands on way through investigative science- £600 in the first instance
- Mastering Maths Work Books (This spend will be fund matched because we are part of a national 2-year research project and we would like to make the most of this opportunity) £2000
