Values Newsletter 1

Dear Parents/Carers,

Our value for the month of September is **UNITY**.

Unity is being together or at one with someone or something. It is the opposite of being divided. It is a word for togetherness.

As we start a new school year, and following lockdown, this value seems to me ever so important. School has reopened, we now have the time and opportunity to develop friendships again, to support one another; to learn together and grow together.

Indeed, after a time where we have been asked to stay away from others, it is great that we are beginning to come together again. I have already seen the togetherness of our fabulous children in these early days of the term. Through kind words, a smile and much laughter the children are really looking out for one another. It truly is great to be together again.

To support our work at school, it would be great if you could discuss it with them at home. To carefully explain to them, not only the meaning of unity, but how they can show this in school and at home every day.

When we are united and supporting one another, we achieve so much. As Mother Teresa so perfectly put it, "I can do things you cannot, you can do things I cannot. Together we can do great things."

Thank you for your continued support and help with our key school values.

The Lambley Team

**We believe that safeguarding children is everyone's responsibility.**

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
