

Life at Lambley

Be ready, respectful and resilient

Thursday 8th October 2020

Values Newsletter 2

Dear Parents/Carers,

Our value for the month of October is **being ORGANISED.**

Being organised is about making arrangements or preparations for an activity or event. It can involve forward planning and ensures that you are ready.

At school, being ready for the day ahead is such an important value. Research shows that when we have the resources we need, have planned ahead and are organised we can tackle activities, events or work with greater confidence, assurance and thus achieve our best.

Being organised also ensures that the children are taking responsibility for themselves – another very important value. Indeed, taking responsibility for oneself is a skill that will not only help them during their time at Lambley but will truly prepare them for secondary education and beyond.

Also, when we are organised, we always seem to have more time. As Benjamin Franklin once said, “For every minute spent organising, an hour is earned.”

To support our work at school, it would be great if you could discuss it with your children at home. To carefully explain to them, not only the meaning of being organised, but how they can show this in school and at home every day.

Thank you for your continued support and help with our key school values.

The Lambley Team

We believe that safeguarding children is everyone’s responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
