

Life at Lambley

Be ready, respectful and resilient

Merry Christmas!

As the Christmas countdown well and truly begins, I want to thank all members of the school community for their work and support in ensuring a safe and successful autumn term.

Firstly, I want to thank all the children for their incredible work, adaptability to new routines and determination to reach for the stars. Despite the changes to routines, they have really shone this term, producing fabulous work, demonstrating our key values and really caring for one another.

I would also like to take this opportunity to thank every member of the school staff. We have a wonderful team at Lambley and I am fortunate to work with them. I thank them for their tireless work this term – going above and beyond to ensure that the children received the very best opportunities in such a difficult time.

Finally, I would like to thank all parents, carers and members of the Lambley community. Your support with new routines and school arrangements have really helped us ensure we could keep your children as safe as possible during this time. We also thank you for your continued support with your children's education. The time spent reading at home, practising spellings and learning times tables really does help them in school. Thank you.

I want to finish by wishing you all a Merry Christmas, a safe holiday and we look forward to seeing you in the New Year

Lee Christopher

Spring Term

A quick reminder that school reopens on **Monday 4th January 2021.**

Inline with current guidance, the school day will remain the same and so the staggered start and end times, that have been in place since September, will remain in place come January.

Please continue to support these start and end times, ensure social distancing around school and wear face masks at drop-off and collection times.

Thank you for your continued support.

Mrs. Swinburne's message: Welly Walk

School aims to restart Welly Walks on **Friday 8th January 2021.** Please make sure you send **named** wellies in a carrier bag and either a puddle suit or waterproof trousers (again named please) as the Dumbles will be very muddy! We can't wait to make the most of this wonderful environment right on our doorstep!

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
