Welcome Back...

What a wonderful first week back! The sun is shining, the children are happy and everyone is working incredibly hard.

I have been so proud walking around school this week, seeing the children's fabulous work and talking to them about their holidays, what they are currently reading and what they are looking forward to this term. It truly has been a wonderful start to the summer term!

I would also like to thank the children and yourselves for your support with the Sponsored Read over Easter. Your generous donations are going to make such a difference to the quality of books we have right across school and I cannot wait to share this with you too. Thank you again.

I look forward to seeing you all over the coming weeks.

Stay safe,
Lee Christopher

Parking

I appreciate that there are not a lot of parking spaces in and around school, but wanted to send a reminder/plea from me—please be considerate and mindful of everyone's safety when parking before and after school.

The roads around school are busy and parents, carers and children are regularly crossing the road at these key times. There are buses that drop-off and collect children every day at these key times too.

Please also be mindful of other people's driveways, ensuring that we do not block drives and make it difficult for those living around school to get off of their own driveways.

By working together, we can keep traffic flowing, increase visibility for those walking/crossing and make the roads around school as safe as possible.

Thankfully we have not had any accidents and I want it to remain that way. Please do all you can to ensure safety and consideration for all.

Vending Machine

We have been blown away by the creative names and posters for the Vending Machine competition. The closing date has now passed and we hope to announce the winner next week.

We have been so impressed that I have decided to now award 4 prizes. Three runners-up will each receive a book token for the vending machine whilst the winning entry will receive a book token for the vending machine and a surprise prize!

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
