## Welcome back!

The children have had a wonderful week and school is in full flow!

This week was all about the start of our extra-curricular opportunities for the children (with many more to follow).

Beech and Oak continued their work with Notts Cricket Club focusing on staying healthy. Whilst Pine began hockey lessons.

DCP Drumming were also welcomed back into school for the first drum lessons. After the initial assembly last week, the interest has been incredible. We have nearly 40 children learning to play the drums! Thank you for supporting this club. The afternoon was a great success and we are proud of the start the children have made with their drumming.

After-school football with Mr. Conroy restarted this week. Again, with incredible popularity. Whilst Mr. Robinson will restart girl's football next Tuesday.

School are looking into developing even more clubs with cooking club and art club currently being organised.

These extra-curricular opportunities are so important. It is great to finally be running them again and giving the children the chance to excel with their interests.

If there are other opportunities that your children would like, please do not hesitate to let me know and we will see if we can provide them.

## Parents' Evening

Our teacher/parent consultations will take place on **Monday 4<sup>th</sup> October** and **Wednesday 6<sup>th</sup> October**.

As it stands, these appointments will be face to face in school, providing the opportunity to find out how your child has settled into school this year and to discuss strengths and areas for development.

A letter will be sent nearer the time to confirm the details and timings and to outline whether there has been any changes (due to changes in Governmental guidance).

We look forward to celebrating your children's work with you on these days.

## Multi-Skills

A quick reminder that Elm and Birch classes are attending a multi-skills event at Carlton Academy next Friday (24<sup>th</sup>). Please make sure they arrive at school in full school PE kit and bring their school uniform in a bag (in case they need to change into it when they get back.)

They will return to school towards the end of lunchtime, so will need a packed lunch. Please let the office know whether you are providing the lunch or would like school to prepare them a packed lunch. Thank you.

### **We believe that safeguarding children is everyone's responsibility.**

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
