TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

LAMBLEY PRIMARY SCHOOL

Total amount carried over from 2019/20	£5000
Total amount allocated for 2020/21	£17,290
How much (if any) do you intend to carry over from this total fund into 2021/22?	£12,560
Total amount allocated for 2021/22	£15,630
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£ 28,190

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	95%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	95%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	89%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21		Total fund allocated: £28,190		Date Updated: 1 st November 2021 (live document)	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					16%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	
Develop Sports leaders who lead physical activity during break times and lunch times (including purchase of new equipment that is needed).	Schools PE Coach to teach children the required skills for leadership and game development (which can be taught to other children in turn).		£1000 (training time) £500 (equipment)	Children’s leadership skills improve and they confidently take on the role of sports leader. Good uptake of leader’s games. School has sports leaders that promote fitness and teamwork across school.	
To develop Fitness Day across the school and school community, improving fitness, concentration and readiness for work.	Run Fitness club at lunchtime (run a mile)		£0	Health, fitness and well-being of children will continue to improve. Children will show better concentration and readiness for lessons	
					Train children in Y3/4 so training can be built on and developed year on year. Regular replenishing of equipment to support sports leaders and ensure they have the necessary equipment
					If successful, school will continue with and extend initiative. Sports leaders could lead ‘Run a Mile’ (see previous priority)

To introduce new and regular clubs that engage the children in physical activity and enable them to develop new skills.	Provide school-based and after-school clubs for all children across school.	£3000	School has good sports uptake across all year groups.	Renew external providers that have greatest impact and children enjoy most.
To develop some existing clubs so children can progress with skills previously learnt	Invite visitors to talk to children about different sports and develop clubs that are popular. Purchase equipment to support such clubs.		Clubs support learning both in school and out of school (weekend clubs for example). Children transfer skills taught in clubs to PE curriculum.	Invite further guests to speak about their sport/activity and provide taster sessions which can develop into a new club.

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				17%

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
School will apply for and celebrate the School Games Mark (SGM)	Review criteria for SGM School to offer a range of sports internally and externally so more children get the chance to participate and excel (which in turn supports our work on SGM)	£400	School achieves, at least, Silver award through SGM	Provision enhanced further so school can achieve GOLD award through SGM
Purchase trophies and medals; celebrating school sports, PE and children's achievements.	Purchase medals Lead celebration assembly Share successes with School Community	£400	Children know that their efforts and success are celebrated. Parents support our celebrations. School continues to raise the profile or physical activity and PE	Trophies can be used year on year Medals will be purchased every year.
Purchase a new shed for outside making it easier to access PE equipment for use on playground and the all-weather pitch.	Office to organise a shed purchase and install for the school playground.	£2000	Children will be able to have ready access to sports equipment at lessons and lunchtimes giving them more of an interest in a variety of games.	Shed will need to be treated annually

Improve PE equipment which in turn will enhance PE provision and ensure school has the correct equipment to develop a wide range of skills.	Evaluate current provision and need. Purchase the relevant equipment needed to develop and enhance school's PE Curriculum. Ensure equipment is used throughout the year and thus is enhancing the children's learning.	£2000	Sports Leaders have equipment to lead sports. PE curriculum is fully resourced; ensuring key skills can be developed all year round.	New equipment will last years but will gradually need replacing.
---	--	-------	---	--

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation: 9%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Provide training opportunities to all staff through coaches, external providers, IPeP, work with alliance and own PE coach. Training should enhance knowledge, confidence and competence in PE and teaching their class.	Ascertain staff need. Provide time to observe coaches/PE lessons and reflect afterwards.	£2000	Knowledge and skill continues to improve. Greater PE consistency across school Staff confidence, and thus quality of PE, has improved across school.	High quality CPD will need renewing. As staff expertise increase, school's offer of sporting opportunities will also increase.
Basketball coaching to enrich the children's learning and to give the teachers more confidence in specific games to boost basketball skills.	Teachers will observe the basketball sessions taught by an experienced expert and will take note of key games/drills.	£400 plus £100 for matches (£500)	Teachers will feel confident with their own level of specific skills to teach this sport and similar sports.	School will purchase new equipment to enhance basketball provision and ensure skills are built upon
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation: 49%
Intent	Implementation		Impact	

Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Organise different sports leaders to come and run sessions in school/after school for the children.	HT to organise range of opportunities. Parents and children to give voice to clubs and sporting interests.	£1500	Children will be given a range of opportunities to try something new and to work with other clubs/schools/academies in the locality.	Ensure opportunities are developed further year on year (providing new clubs and extending existing provision)
Continue to work with Via providing key opportunities around the areas of balance, co-ordination and agility	Arrange Bikeability and Balance Bike training for Y3, Y4 and Reception respectively.	£500	Children develop core ABC skills which are essential and support work in other areas of the PE curriculum.	Book year on year for next cohorts.
To use Coaches to teach sporting activities that enhance the PE provision but also teach about teamwork, collaboration and core values.	Coaches lead PE provision which is great CPD for staff and also further develops children's skills and knowledge. Coaches use time to mentor children through sport	£12,000	Use of coaches supports development of staff expertise. Mentoring through sport supports children, enhances sporting activity and skills and supports their work across the wider curriculum.	School to utilise coaches year—on-year where needed and where expertise require further work and development.

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				8%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
As with previous years, some funding has been allocated to increase our participation in sports competitions and festivals with other schools (transport, staffing, sports leaders); Every class will take part in at least one family festival of sport and we will also send teams to take part in competitive events.	Boccia festival attended with a focus on provision for SEND pupils from across the family of schools. Timetable of basketball matches for KS2 Participate in Gedling schools Sports hall athletics Y1-Y6 to participate in school-school sporting activities	£1700	All classes have taken part in at least 1 sporting event within the family of schools. Children given opportunities to compete in sporting events (that build on work in PE and enables them to enhance skills learnt this year)	Continue to attend events run by family of schools. Add new sports to family festival events – extending opportunities for the children.
Arrange cross-school competitive Sports Day so children can compete and work with children from different schools.	Following own sports day, children would attend a local primary school and compete against their children. Both schools would celebrate achievements, effort, team work and sportsmanship. Schools would purchase trophies/medals to celebrate this	£600	Children given opportunities to compete in sporting events (that build on work in PE and enables them to enhance skills learnt this year)	Undertake shared sports day every year (looking into the option of adding further schools to extend opportunity.)
				TOTAL £28,100 99.6% All details to be finalised.
