A great start!

It has been a great start back after half term as we count down to Christmas! The children have returned to school so enthusiastic and ready for every day. It is such a pleasure to work with the children.

This half term has also started with a wealth of exciting opportunities and there will be many more from now until Christmas. The new term started with an archery assembly. The children were very excited and were so engaged by the assembly. We hope to start an archery afterschool club in the new year. More information will follow nearer the time.

Drumming and wheelchair basketball have continued and the children are making such great progress in both lessons. The children love these lessons and can always be seen with a smile on their face.

Before the first week was out, it was time to 'rock' with our 'Rockstar Day'. The children looked fantastic in their rock costumes and really enjoyed the day listening to different music and practising their maths on TT Rockstars. Please encourage your children to use TT Rockstars at home; it is such an invaluable tool in supporting maths. If you have any questions about it, please do not hesitate to speak to your child's class teacher.

We worked with Severn Trent to understand the journey and importance of water. The sessions were very interactive and funny. The children could be heard, across school, laughing in the hall.

Time was given in week one to wear red and address the issue of racism. The children really understood that we must stand up against such behaviour and treat everyone as we expect to be treated.

Finally, this week, we helped DCP Drums with their Children in Need Challenge! DCP Drums are aiming for one million drum hits throughout November and we helped them get started with a bang!

What a great and fun-packed start to the term!

Wed 24th Nov – Drumming lessons (pm)

Wed 24th Nov – Y1/Y5 Wheelchair Basketball (pm)

Mon 29th Nov - Y3 Hockey at Lambley with Mr. Clayton (pm)

Quidditch Day

A quick reminder that we have booked a Quidditch Day for all children on Tuesday 7th December.

This is a great opportunity for the children to try a new sport and enter the world of Harry Potter. I know the children are so excited!

A short plea from me. Can we please have all contributions of £3 per child sent into school by Friday 3rd December. We are working so hard to provide a wealth of new opportunities for the children this year and we do need your support. The money will help contribute towards the overall cost and your support means we can continue to offer such wonderful opportunities throughout the year. Thank you.

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
