

Life at Lambley

Be ready, respectful and resilient

Monday 1st November 2021

Values Newsletter 3

"Optimism is the faith that leads to achievement; nothing can be done without hope and confidence."

Helen Keller

Dear Parents/Carers,

Our focus value for the month of November is **being OPTIMISTIC.**

By definition someone who is optimistic is hopeful and confident about the future. In fact, having an optimistic outlook can change situations very much for the better.

We want to teach our children about the importance of optimism. We want our children to be positive about their achievements but to also understand that it is okay to make mistakes because that is how we learn. We want them to take encouragement from every situation even if things do not go exactly how they planned them. Indeed optimists do not expect everything to go right but are willing to keep on trying. Having a positive outlook and an appreciation that they will learn from their mistakes, will really help your child during their time at Lambley.

As this may be a new word or concept for some of our children to understand, it would be great if you could discuss it with them. To carefully explain to them, not only the meaning of optimism, but what it actually looks like in real life. This way, we can, together, develop the personal qualities we all wish for them.

Wishing you all a very 'optimistic' month!

With very best wishes,

The Lambley Team

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
