Summer Term

It has been a busy but very productive first two weeks back after Easter.

The summer term is always full of so many exciting opportunities as well as much hard work that needs to be done. We know that all the children will rise to the challenges ahead and will all have much to celebrate come the summer holidays.

Throughout this term, we will remind the children of our summer value of resilience and why perseverance and a growth mindset is so important at Lambley.

As you will know from previous correspondence, we have welcomed Mrs. Hibberts to the team. We are so pleased that she has joined the team and it's great to see that she has already settled into life at Lambley. Welcome Mrs. Hibberts! I want to also thank you all for making her feel so welcome over her first few weeks.

Also this term, we have welcomed Jimmy Jumpshot back to teach Basketball and Dan Richards has returned to teach Wheelchair basketball both during school and as a KS2 after-school club. The children are really enjoying these opportunities and are showing true determination in every lesson. What a super attitude! Both coaches always comment on the children's great attitude and how much they enjoy coming to Lambley. What a wonderful thing to be able to share with you.

There is so much to look forward to over the coming weeks and I will be in contact with more updates in due course.

For now, I simply want to welcome you back for the summer term and look forward to another wonderful and productive term.

All the best

Lee Christopher

Bank holiday and INSET day

A quick reminder that next Monday (**Monday 2nd May**) is a Bank Holiday and so school will be closed. School will reopen to all pupils on Tuesday 3rd May. We hope you all have a wonderful long weekend.

I also wanted to remind you all that school has an Inset day on **Monday 6th June**. Again, school will be closed to all pupils on this day and we will reopen on Tuesday 7th June for the final few weeks of term.

Thank you

Year 2 and Year 6

I can proudly say that all the children have come back to school after the Easter break and started working incredibly hard. It is such a joy to see all the children with a real desire to learn and a thirst for knowledge.

I would, at this stage, like to give a special mention to all the children in Year 2 and Year 6 who in the next few weeks, will sit their SATs examinations. They have worked so incredibly hard this year and are so determined to achieve their very best.

I want to thank all the staff who work with these children for their tireless work and dedication to not only teach the children the necessary knowledge but also for instilling in them the hunger to succeed.

Most of all, I want to thank the children for their readiness, determination, commitment, drive and resilience. We are all so very proud of you and we know that with the hard work and effort you have shown all year, you will achieve great things. Keep up the hard work for a few more weeks – you can and will reach to the stars!

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
