Hard work and dedication

As we reach the end of a very big week in the school calendar, I want to take this opportunity to say how immensely proud I am of all our Year 6.

They have worked incredibly hard since September; showing determination, resilience and a dedication to their learning that helped prepare them for this week.

They have embraced all challenges, listened to all advice and have challenged themselves to be the best they can be. Their work this year has been amazing!

And yet...this week, they took this hard work, determination and resilience to another level. They have shown an outstanding attitude all week and we could not be prouder.

They did not seem fazed, nor anxious; just...ready. Ready for the challenge, ready to give everything. They should be so proud of their work this week. I know we all are.

Next week, it is Birch who will be sitting the Year 2 SATs. They too are ready. They embrace all work with a love of learning and always strive to be the best they can be. They work with a smile on their face and I know they will give their all next week too. Good luck Birch.

If you see anyone in Year 6, please congratulate them and if you see a child from Year 2, please wish them good luck for next week. I feel it is so important that they know just how proud their school community is of them and how much we all want them to succeed.

Good luck Birch – you are ready to shine!
Well done Oak. You have truly reached for the stars.

Parking

I appreciate that there are not a lot of parking spaces in and around school, but wanted to send a reminder/plea from me— please be considerate and mindful of everyone's safety when parking before and after school.

The roads around school are busy and parents, carers and children are regularly crossing the road at these key times. There are buses that drop-off and collect children every day at these key times too.

Please pay particular care on Catfoot Lane. All parents and children have to pass Catfoot Lane to enter or leave school and so it is an area that needs particular consideration. Furthermore, please remember that it is also a road with a no stop/parking restriction between 8am-4:30pm. Again, this is for all our safety.

Please also be mindful of other people's driveways, ensuring that we do not block drives and make it difficult for those living around school to get off of their own driveways. By working together, we can keep traffic flowing, increase visibility for those walking/crossing and make the roads around school as safe as possible.

Thankfully we have not had any accidents and I want it to remain that way. Please do all you can to ensure safety and consideration for all.

Book Fundraiser

And finally...I would like to say a big thank you for your support with the sponsored read over the Easter holiday. Thanks to you and your children we raised over £640. When we add this to the free books they will offer alongside this, we have just over £1030 to spend on new books for school! Thank you so much.

Staff are currently collating their wish lists and very soon we will be able to share some exciting new books with the children.

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
