

Life at Lambley

Be ready, respectful and resilient

Friday 20th May 2022

Newsletter 9

4T's

Since my last newsletter, it has all been about the 4 T's in school: Tournament, Toast, Tests and...more Toast.

I want to begin by saying how incredibly proud we all are of the girls' football team. Last week, the team played their quarter-final match against Richard Bonington and put in a great performance. Lambley dominated the game from start to finish but unfortunately the game ended 1-1 and Richard Bonington won on penalties.

Nevertheless, the performance of all the players this year has been amazing and we are all so proud of each and every one of them. In each game they showed our core values of readiness, respect and resilience and gave 100% to help the team. It is also worth noting that the team did not lose one game in open play all season. A remarkable effort and performance. Well done to Mr. Robinson for his commitment and coaching and a huge well done to our incredible team!

Birch have completed their SATs tests this week (as well as eating a slice of toast or two). The children have really enjoyed the breakfast club before their SATs and with a full tummy were ready for the challenges that lay ahead.

We are so, so proud of each and every member of Birch Class. They have worked so hard this week; giving their all to the tests. Well done Birch – you have been true stars and should be really proud of yourselves.

Kind regards

Lee Christopher

Parking

I appreciate that there are not a lot of parking spaces in and around school, but wanted to send a reminder/plea from me— please be considerate and mindful of everyone's safety when parking before and after school.

The roads around school are busy and parents, carers and children are regularly crossing the road at these key times. There are buses that drop-off and collect children every day at these key times too.

Please pay particular care on Catfoot Lane. All parents and children have to pass Catfoot Lane to enter or leave school and so it is an area that needs particular consideration. Furthermore, please remember that it is also a road with a no stop/parking restriction between 8am-4:30pm. Again, this is for all our safety.

Please also be mindful of other people's driveways, ensuring that we do not block drives and make it difficult for those living around school to get off of their own driveways. By working together, we can keep traffic flowing, increase visibility for those walking/crossing and make the roads around school as safe as possible.

Thankfully we have not had any accidents and I want it to remain that way. Please do all you can to ensure safety and consideration for all.

Sports Day

Sports Day this year will be held on **Thursday 16th June 2022** (starting at 9:30am).

If the weather is bad, we have timetabled Thursday 23rd June (am) as a reserve date.

We do hope that you are able to come along and support our Sports Day; cheering the children on and letting them know how great they are doing.

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
