Extra-curricular opportunities

The hard work in the classrooms of Lambley has continued over the last two weeks. Visitors to the school have told me what hardworking children we have and how each classroom is so calm and purposeful. Wonderful news indeed!

The extra-curricular opportunities continue to grow with even more on the horizon (watch this space!)

Mr. Conroy and Mr Robinson's football clubs have returned and both have commented on the commitment of the players already. A great start.

Last week, the children had the opportunity to experience golf with Mr. Stu Warren. The children loved this opportunity and Stu commented on the fact that we definitely have some natural golfers.

Year 6 have also spent some time at Colonel Frank Seely undertaking science lessons and made their own rockets! They even got their very own Bunsen burner licenses!

Young Voices with Mrs. Shardlow and Mrs. Aizlewood got off on the right key this week too! The children are very excited and are singing loud and proud.

I would also like to take the time to thank the Friends of Lambley for organising the recent Reception and Year 1 Zumbini after school event. It was a real success, the children loved it and we definitely hope to do something similar again soon. Thank you!

As we approach the last week of the half term, there are more exciting opportunities to look forward to and I look forward to sharing this with you soon.

Parking

I appreciate that there are not a lot of parking spaces in and around school, but wanted to send a reminder/plea from me—please be considerate and mindful of everyone's safety when parking before and after school.

The roads around school are busy and parents, carers and children are regularly crossing the road at these key times. There are buses that drop-off and collect children every day at these key times too.

Please pay particular care on Catfoot Lane. All parents and children have to pass Catfoot Lane to enter or leave school and so it is an area that needs particular consideration. Furthermore, please remember that it is also a road with a no stop/parking restriction between 8am-4:30pm. Again, this is for all our safety.

Please also be mindful of other people's driveways, ensuring that we do not block drives and make it difficult for those living around school to get off of their own driveways. By working together, we can keep traffic flowing, increase visibility for those walking/crossing and make the roads around school as safe as possible.

Thankfully we have not had any accidents and I want it to remain that way. Please do all you can to ensure safety and consideration for all.

Half term and Inset Day

Just a quick reminder that next week is the last week of the half term. Following next week, school will be closed for two weeks and we have an Inset Day on Monday 31st October.

School will reopen on Tuesday 1st November.

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
