Newsletter 1

Welcome back!

I would like to start by welcoming you all back for the start of another exciting year at Lambley. I want to give a special welcome to the children in Willow and their parents and say how pleased we are that you have joined our school community. Welcome.

The children have started back brilliantly. They show our three core values and are pushing themselves to be their very best every day. They should be very proud of the start they have made!

Thursday was a busy but exciting day for us all. In school, every child got the opportunity to work with DCP Drumming and should have come home with a letter last night about drumming lessons! These sessions are proving to be very popular so if your child is interested we advise you to book as soon as possible.

As well as this, Thursday saw the Tour of Britain make its way through Nottingham and more importantly straight past the school. The children celebrated this event by waving their flags and cheering every cyclist on. I am so pleased that we got to go down and witness this event; I am sure we will never forget this day.

Finally, as we reach the end of our first full week, we prepare for our first Reach for the Stars assembly of the year. With all their hard work, I know it will be very difficult for the staff to choose children for our Reach for the Stars certificates and I cannot wait to celebrate this assembly with them all.

Parking

Nottinghamshire County Council have asked me to message you about its efforts to improve parking outside schools by the scheduled patrols of its CCTV enforcement vehicles.

They have asked me to share the message below which outlines how you can support this and get involved if necessary.

Nottinghamshire County Council use CCTV cars to enforce parking outside of schools. They visit schools in Nottinghamshire and will record whilst passing, the details of any cars parked illegally. If vehicles are parked in contravention the registered keepers will receive a Penalty Charge Notice. These restrictions are in place to provide a safe area outside of the school where the children will gather or cross the road therefore, we ask for your help in keeping this area free of parked vehicles. The school can request enforcement from the car so, if you have any concerns regarding parking, please notify us and we will arrange a visit.

Midday Vacancy

Just a quick reminder that we currently have a midday vacancy in school. The advert closes on Friday 16th September at midday.

If you are interested in the post, please speak to the office for the application pack. Thank you

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
