Spring Newsletter 3

Not even the snow can stop us!

The fun-filled action packed days have continued over the last couple of weeks – not even the snow has stopped us!

The children have learnt so much through the lessons, activities and opportunities available to them during this time and have spoken so positively about their learning.

Y5/6 undertook CPR workshops; learning the 5 rules of CPR, the importance of looking after yourself and why people undertake CPR. The trainer was amazed by their knowledge, effort and attention during what was a very important life-skills focused lesson.

Beech and Oak have also continued their work with Dan from DCP drumming. He has been so impressed by how quickly they pick up new skills and recall prior learning.

World Book Day was celebrated by us all; with amazing costumes, countless books and reading aplenty! Thank you for supporting such an important day in the school calendar.

I would also like to thank those parents who attended the Pine Coffee Morning to formally welcome Mr. Norris to the school. It was great to see you there, eat cake and learn a bit more about Mr. Norris. I know he truly appreciated your company and time.

Finally, and despite the snow, school has undertaken an Art Day today. These curriculum days provide time to celebrate one particular subject, to teach many new skills and ensure that previous skills and techniques can be recalled and used in a new piece of work. I have been blown away by the quality of the art work today and have asked the classes to share some of the work on Dojo with you all.

Kind regards

Lee Christopher

Parking

I appreciate that there are not a lot of parking spaces in and around school, but wanted to send a plea from me—please be considerate and mindful of everyone's safety when parking before and after school.

The roads around school are busy and parents, carers and children are regularly crossing the road at these key times. There are buses that drop-off and collect children every day at these key times too.

Please pay particular care on Catfoot Lane. All parents and children have to pass Catfoot Lane to enter or leave school and so it is an area that needs particular consideration. Furthermore, please remember that it is also a road with a no stop/parking restriction between 8am-4:30pm. Again, this is for all our safety.

Please also be mindful of other people's driveways, ensuring that we do not block drives and make it difficult for those living around school to get off of their own driveways. By working together, we can keep traffic flowing, increase visibility for those walking/crossing and make the roads around school as safe as possible.

Thankfully we have not had any accidents and I want it to remain that way. Please do all you can to ensure safety and consideration for all.

Reading Emoji Challenge

I would like to say well done to all the children who entered the Reading Emoji Challenge set last week. I would also like to thank all parents and carers for encouraging and supporting the children with this (as well as your kind words about the challenge).

We had so many entries and I was so pleased to hear the children speak so enthusiastically about it. Every child who entered has received a reading badge and the three winners each won a book from the vending machine!

Our winners were:

Reggie M, Martha B and Stan D.

Well done to all those who entered and a special well done to our winners!

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Lee Christopher, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
