1. LATEST NEWS

What a busy fortnight it has been at Lambley! We are definitely really in the swing of things; working hard, making progress and really celebrating our successes.

The Meet the Teacher event on 24th September was a great success! It was so great to welcome you into school and share the early learning this year with you. It also gave us time to share some of the curriculum with you and answer your questions. The food was a real hit too! If you couldn't make it to the event, please do not worry, we have parents' evening after half term - with more information to follow.

Maple Class did amazingly with their Bikeability training as well. The progress made in half a day was super! The children had a great time, as did the trainers! They were very impressed by Lambley.

Finally, we all completed an introduction to CPR - such an important life skill. Even though the children were using teddies, they took this very seriously and learnt so much. We will follow this up after half term with more in-depth work on CPR and how to respond in an emergency.

2. IMPORTANT REMINDERS

Quick reminder that due to extensive and essential works taking place in school throughout half term, school will close to all pupils on Friday 17th October 2025 at 12:30pm. The work taking places involves every classroom and so school need time to prepare for this work.

This has been discussed and approved with Notts County Council and the school Governing Body and I am letting you know at the earliest opportunity.

Lunch will be a little earlier on the day so all children will have their lunch before school closes at 12:30. Please collect your child from the usual gate at 12:30.

Thank you for your understanding with this.
