

# LAMBLEY PRIMARY SCHOOL NEWSLETTER

12 DECEMBER 2025

## 1. LATEST NEWS

School has certainly found the Christmas spirit over the last week and there's still plenty more to come!

Christmas really got underway last week with the Christmas Zumbini event. The children who attended from Willow and Elm had an amazing time and loved all the music, singing and dancing! The children and the instructor Brooke had the biggest smiles throughout the event and it definitely helped us all step into Christmas a little more.

Perhaps the biggest highlight so far was a visit from Santa himself for our 'Breakfast with Santa' event. The excitement across school, even before he arrived, was electric and upon arrival, Santa enjoyed time with all the children, gave them their first Christmas present and even found time to enjoy a Christmas crumpet or two!

Our Choir attended the Christmas Choir Sing-along at Colonel Frank Seely last Thursday alongside the other local primaries. It was a magical event; a true Christmas gathering. We are all so super proud of our children - who not only sang in Latin but had learnt the sign language to go with the song as well. Super impressive.

The youngest members of our school community produced a truly memorable Nativity this Wednesday and Friday. They really looked the part, took real pride in their role and the smiles on the faces of our audiences tell me what a fabulous job they did! Well done Willow, Elm and Birch Classes.

Last night (thanks to the Friends), we had a real Christmas party with the school Christmas Disco. Almost every child in school attended and got to sing and dance with their friends (as well as a few teachers and TAs!).

Such a busy time and we are not finished yet! Next week, we still have so much to look forward to including our KS2 Christmas Sing and Story events, Christmas jumper day, Christmas lunch and the Christmas Fayre. Lambley certainly knows how to do Christmas!

## 4. WE ARE SO PROUD OF YOU

I want to finish the term by congratulating all the children on their hard work, dedication and willingness to take a risk to learn something new (even if we do make mistakes along the way).

It has been a great start to the school year and they definitely deserve the Christmas break.

I want to congratulate all the children on the certificates they have won this year either at school events, during trips or as part of our Reach for the Stars Assemblies. Each certificate, positive comment and acknowledgment of their work has been truly deserved. Well done to you all!

I also want to stress how proud I am of them for working together this term to earn House Points for their houses. Working together to achieve something is such a powerful message and lesson for life.

And finally...I want to say how super impressed I am by all the children during each and every Reach for the Stars Assembly. It is such an honour to see the children not only proud of their own achievements but their desire to enjoy and celebrate the achievements of their friends and peers. It is great to see the whole school come together to celebrate each and every winner. To take as much pride in their friends' successes as their own.

All the above is why we are such an amazing school!

## 5. A NOTE FROM MR CHRISTOPHER

As this is the final newsletter of the term, I want to finish by wishing you all a truly magical and memorable Christmas!

I know how busy Christmas can be and how much you all have to do and prepare for the festive period but do take time to pause, stop and just enjoy time with each other.

The food, parties and presents are important but it is the time we take to make Christmas memories that will stay with us.

Have a wonderful Christmas with your children, families and friends. I wish you all a happy and healthy break full of Christmas cheer.

Merry Christmas!
