

LAMBLEY PRIMARY SCHOOL NEWSLETTER

06 FEBRUARY 2026

1. LATEST NEWS

The last fortnight has seen the children really reach for the stars in everything they have done. It is somewhat fitting then that Elm Class and Beech Class got to spend the day at the National Space Centre in Leicester!

Throughout the day, the children learnt so much about the history of space travel, explored the conditions in space and have come back to school with a greater knowledge of the universe that will now support their space topics for the weeks ahead.

Whilst talking about the Space Centre, I am always blown away by the behaviour of our children on a school trip or visit and this trip is no different. The staff spoke very positively about the experience and the behaviour of the children throughout. It is so wonderful to hear that the children worked hard, absorbed new knowledge, enhanced their enthusiasm for the topic whilst at the same time showing the school's core values and expectations. Well done Elm and Beech Class!

This week, we also had school photos for all children across school. It is a great day in the school calendar. It is wonderful to walk round school seeing all the children proudly wearing their full school uniform, ready for their class photographs. The individual photographs are going to look great, the class photographs always show the real community togetherness of each class and the sibling photos show real warmth and love between brothers and sisters. I can't wait for you all to see the photographs!

It has been a busy half term and there is only one week left! There is so much to look forward to over the coming weeks and I cannot wait to share more news with you after half term.

If I don't see you before the half term break, have a wonderful time with family and friends.

2. IMPORTANT REMINDERS

The spring term Parents' Evening this year takes place on Monday 2nd March and Wednesday 4th March (apart from Elm Class - taking place on Monday 9th and Monday 16th March).

This is a wonderful opportunity to celebrate your children's work and achievements as well as provide information on the next steps and how we can work together to make your child's time at Lambley as productive and successful as possible.

For full details, please see the letter sent out earlier this week.

Bookings need to be made via Scopay.

We look forward to seeing you there!

5. A NOTE FROM MR CHRISTOPHER

As you will have seen early in the week, The Friends of Lambley and school have created an online uniform shop for donated and recycled uniform called Uniformerly.

This is a good way for us to be more conscious of the environment and our waste but also a great way for all of us to make use of pre-loved uniform.

As I said previously, the shop is unlikely to have all uniform and all sizes but alongside Big Fish Schoolwear provides an additional way of ensuring all children can wear and take pride in our school uniform.

Any money raised through Uniformerly, we go to the Friends of Lambley and thus will be reinvested into the school for your children.

To access the shop, please see the post on Dojo and Tapestry, the school website or use the QR code below (which will be on all newsletters moving forward).
