

LAMBLEY PRIMARY SCHOOL NEWSLETTER

06 MARCH 2026

1. LATEST NEWS

It has been a great start to the new half term with lots of new learning, exciting trips and visitors and a chance for us to invite you in to share in your children's learning.

The first real highlight of the term, was Maple's class trip to the Magna Science Adventure Centre in Rotherham! They really made the most of the day exploring all four of the centre's main pavilions: Air, Fire, Water and Earth. There was still time for a volcano workshop which involved making mini volcanoes and watching them erupt! The staff at the centre mentioned how fantastic the children's behaviour was, and school staff were so proud of how engaged the children were throughout the day. What a wonderful trip that not only engaged all the children but supported and enhanced their volcano topic!

This week has been a really busy week in school. On Monday and Wednesday, we welcomed you into school for your child's latest Parents' Evening. It was great to see you for these events and we thank you for attending and supporting your children's learning. We hope you found the time useful and informative and had the opportunity to see the fabulous work they are producing every day.

We also had World Book Day to enjoy and celebrate this week. The children had a great day (in their pjs!) sharing books and talking about their favourite characters and parts of a story. The real highlight for me was seeing the oldest children in our school reading with the youngest members of the school. Seeing the oldest children as role models and helping to create a real passion for reading in our youngest children is really what World Book Day signifies in my opinion. One person with a love of reading, enthusing someone else with the same passion!

And finally....today, we welcomed the Skipping Ninja into Lambley Primary School! The day started with the most amazing assembly which really got the children excited for the day! All the children got to work with the Skipping Ninja and had a truly remarkable day. The Skipping Ninja also donated 15 skipping ropes to school so I can't wait to see all the skipping at play time next week!

2. IMPORTANT REMINDERS

You will have received an email yesterday about break time snacks. I would like to take this opportunity to remind you that Lambley Primary School is a Healthy Eating School, and encourage you to send children with a healthy snack.

Children in EYFS and KS1 are offered a daily snack of fruit or vegetables, provided for free by the government, so additional snacks may not be required for these age groups.

Older children are encouraged to bring a healthy snack full of vitamins and minerals, which will help contribute to their 5 daily portions of fruit and vegetables, and keep them alert and help them concentrate. Ideas include fresh fruit, dried fruit, or vegetable sticks, such as celery, cucumber, peppers or carrot.

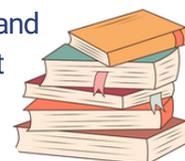

3. DATES FOR YOUR DIARY

Willow's Mother's Day Afternoon Tea - Wednesday 11th March

Invitations have gone out to Willow Class for their Mother's Day Afternoon Tea event on Wednesday. This is sure to be a lovely afternoon celebrating the special ladies in the childrens' lives.

Elm Class - Phonics Check Information Session - Friday 13th March at 3pm

This session will provide you with an overview of the phonics screening check, explain how we teach phonics at Lambley Primary School, and share practical ways you can support your child's reading development at home.

4. WE ARE SO PROUD OF YOU

You can see from the 'latest news' section how busy we have been and how hard the children have been working. You will also have seen this when looking at their books during Parents' Evening. You can see how hard it is for teachers to choose their certificate winners! Our latest winners are...

5. A NOTE FROM MR CHRISTOPHER

The after school clubs we run at school are so important to enhancing the opportunities for your children. They really ensure we can harness and develop not only their academic excellence but their interests, hobbies and passions.

You will see from the box below the wonderful clubs currently available and I can't wait to tell you more in the coming weeks about the new clubs running after Easter! Please do keep an eye out for these clubs!

In the meantime, if your child has a real desire for a new club at school that we do not currently run, please do get in touch. I am always looking for opportunities to extend our offer and give the children another new experience and club to get excited about.

Many thanks
Lee Christopher
