27 MARCH 2026

## 1. LATEST NEWS

As we prepare for a well-deserved Easter break, we look back at a busy but brilliant final few weeks of the term!

Busy March continued with the Mother's Day afternoon tea in Willow Class. I would like to thank all the mothers who were able to join us for this celebration. Not only did you get to see how hard your children have been working ahead of the afternoon tea but had quality time with them as they showed you how much you are loved! I also want to mention the Willow Team for planning, preparing and delivering such a wonderful event. Mother's Day was celebrated by the whole school as well, thanks to the Friends of Lambley. They ensured the children could prepare a heartfelt gift for their mothers. Thank you all for supporting this, we raised a fantastic £277 for the school. As always, thank you also to the Friends for your time and dedication to the school and the school community.

In March, we also welcomed some new families to Lambley. I want to formally welcome Lily-Grace, Esme, Micah and Malachi to the school community. We are so pleased they have joined us and know they will thrive at our school. They have been well looked after by their class mates; it has been a really good start. Welcome all!

Last week, Beech Class shared their learning with their parents during their class assembly. I am always blown away by how much work they produce for these assemblies and the confidence and enthusiasm they show in sharing their new knowledge! We got to see singing, literacy, history, computing and art on display. The children have even learnt how to say '6, 7' in binary! How impressive is that!

This week, Oak Class celebrated their DAART graduation. Throughout the term, they have been working hard on a project that teaches them to be responsible, to think about the consequences of their actions and make informed decisions. The DAART officer has been very impressed with their work, effort and attitude throughout and celebrated this during their graduation.

Finally, Birch Class spent the day at Yorkshire Wildlife Park. Not only did this support their learning in school but was a wonderful way to celebrate their hard work this term. Mrs. Shardlow was so proud of all the children for their work and behaviour all day - a lovely way to finish the term.

## 2. IMPORTANT REMINDERS

When we return after Easter, many of the children will be counting down to formal, national assessments. We always ensure the children are prepared but are also relaxed. They know they have to do them but they are prepared and do not worry about them. They know the hard work has been done, the preparation has got them ready and the actual assessments are their time to shine!

If you want to support your children at home to prepare for these, please speak to their class teacher for advice. The dates of these assessments and relevant year groups can be found below...

## 4. WE ARE SO PROUD OF YOU

As we reach the end of the term, I want to celebrate all the children for their hard work and commitment to their learning and our school values. You should all be so proud of yourselves!

Teachers have handed out so many certificates this term. We present 3 certificates every Reach for the Stars assembly - but this term staff have been so impressed it has regularly been more! What an achievement for the children of Lambley!

I also want to give a special mention to Year 6 who have been going the extra mile to help prepare for next term's SATS tests.

The spring term is such an important term for Year 6 to give them the knowledge and understanding to be ready to access the tests. It is a lot of work but by SATS they are ready and can walk out, heads held high, knowing they have done their very best. Well done Year 6.

Finally to all the pupils of Lambley. I am so proud of you all - you are amazing!
