1. LATEST NEWS

The final half term of the school year has started and started at an incredible pace! We have done so much in the first two weeks of the term, the days are flying by and there is still so much to come which I cannot wait to share with you in the coming weeks!

The term started with a look back at our incredible work completed during the Easter term and in particular for Pine Class when we invited their parents in for their class assembly. Mr. Norris and Pine Class shared an incredible amount of work including playing glockenspiels, singing in French and reminded us just how important it is for us to look after our environment. The assembly was full of interesting facts, 100% enthusiasm and some of the biggest smiles ever seen at Lambley! Well done Pine Class!

Last week, we also welcomed Mr. Robinson back to school to help us prepare for the KS2 Sports Day with the completion of the first round of heats. Mr. Robinson managed to find some dry weather and KS2 were committed to giving their all. We want to say how proud we are of all the children for their efforts during the heats and we cannot wait to share the events with you at the Sports Days coming up over the next couple of weeks. Fingers crossed for good weather! Sports Day dates are below in the 'Important Reminders' section.

After an incredibly busy Easter term for Year 6, Oak Class have spent most of this week on their PGL Residential. A thoroughly deserved treat! A very excited Year 6 (and staff) left school Wednesday morning with big smiles and a real desire to get there and get started! Despite the weather, Year 6 had a great time, made memories for life and came back definitely ready for a good nights sleep and the weekend!

Our week finished with our first 'Stay and Play' event for our new starters in September. This is such an important day in the school calendar - a big day for both the children and their families. It is also our first chance to welcome the newest members of the Lambley family to our community. They all did so, so well for their first time in the classroom - what a great start! I want to also stress how wonderful our current Willow Class were with them - they set such a great example!

What a great start to the new half term!

As the Friends prepare for our exciting summer fayre, we need your help! On Friday 26th June, we are inviting all children to come into school in non-uniform in return for a tombola prize! This stall is always so popular and your support is much appreciated.

4. WE ARE SO PROUD OF YOU

Over the last week, Elm and Pine have worked extremely hard to tackle some National Tests and we couldn't be prouder of their efforts! It will be a couple of weeks before we have their final results but they have been real stars this week!

Year 1 have completed their Phonics Screening Check, and Year 4 their Multiplication Check. Both these assessments are important as they test key skills the children will need as they progress through school.

The children couldn't have worked any harder and I know they gave it 110%. Well done Elm and Pine - we are so, so proud of you!

We can't forget of Reach for the Stars winners too! They have also had a fabulous week!

Superstar of the Week: Ellis H, Kiann S, Heidi H, Matilda F, Isaac F-M

6. FRIENDS OF LAMBLEY

Our Summer Fayre is taking place after school on Wednesday 1st July. We really need some extra volunteers to help us ensure this event is a success. If you or a family member are able to spare some time on the day to help us set up, run a stall, or clear away, please contact Rachael Handley, either in person or by email: friends@lambley.notts.sch.uk. We are also looking for raffle prizes for the Fayre - please get in touch if you can donate a prize - any support, big or small, is hugely appreciated.

5. A NOTE FROM MR CHRISTOPHER

A few weeks ago, we shared some wonderful news that Mrs. Hall is expecting her second child! We are all so excited for her - a magical time indeed. Mrs. Hall will begin her maternity in September and so we will temporarily have to say goodbye to her at the end of the term. Mrs. Hall will certainly be missed but we are all so excited for her.

I am also happy to announce that Miss Farnsworth will be stepping back into Year 1 next year. Miss Farnsworth has worked with us for the last two years now and is a real asset to the team. We are so fortunate to work with Miss Farnsworth and are so pleased that she will be staying with us next year and returning to Year 1. Congratulations Miss Farnsworth!
